

LETTER OF UNDERSTANDING

This letter of understanding is between _____, a St. Paul Parish volunteer, and St. Paul Parish.

In signing this letter of understanding, both parties agree to provide support to one another and to fulfill certain responsibilities which affect one another. The parish agrees to support the efforts of the volunteer and the organization which is served. This includes, but is not limited to the usage of the facility, support of the staff and ministerial support where needed.

In return, the volunteer agrees to support the parish, including but not limited to active involvement in the parish, including weekly attendance at Mass at the parish church.

Failure to fulfill these responsibilities will result in a re-evaluation of this relationship between the volunteer and the parish, including the possibility of the discontinuance of the relationship.
